

Aluminium fitting, with anodized aluminium reflector. LED Light source shield made of tempered glass, resistant to shock and temperature changes. Fitting equipped with Tripod. High IP rate (IP 65) protects the light source against dust and water penetration.

Model: KBFLIC19003
Max Watt: 1x50W
Operating Voltage: 240V/50Hz
Efficiency: 85Lm/W, 6500 K
Material: Die Casting Aluminium
Colour: Yellow
IP Rating: IP65

Model: KBFLIC19003
Max Watt: 2x50W
Operating Voltage: 240V/50Hz
Efficiency: 85Lm/W, 6500 K
Material: Die Casting Aluminium
Colour: Yellow
IP Rating: IP65
